

Ref No: RO/ Fee Payment/QFix/ 02 – 2023

Date: 04.12.2023

Dear Students,

Greetings from IILM University, Greater Noida!

QFix (HDFC) Payment Portal

As you are aware, we have tied up with HDFC Bank to offer you a fee payment platform QFix, which is flexible and convenient for fee payment. QFix platform offered various options to pay like, Debit card/Credit Card/Net banking/EMI (Easy instalment)/UPI/Offline payment.

It was being observed that all the payments made through offline challan were getting deposited into the Suspense Head of the University account. This resulted in delay for the amount paid by the student, to be displayed on his/her fee QFix page.

In order to streamline the accounting process and ensure that all the fee paid are immediately reflected on the QFix portal, we are discontinuing with the **Offline Challan option on QFix wef 01 Jan 2024**. The options that would remain active to pay would be; Debit card/Credit Card/Net banking/EMI (Easy instalment) /UPI. This will ensure all the fee paid are immediately reflected on the QFix portal & receipt available to download.

The University will permit students who have taken educational loan based on receiving their written request to make offline fee payment through a Demand Draft in favour of IILM University, payable at Greater Noida, Uttar Pradesh and deposit with the Registrar Office.

In case of any query, please contact Mr Ravindra Gahtyari at 9871067137 / Mr Dharmendra Kumar 7834969283 or visit Registrar Office.

Note: All payment of fees is to be made **ONLY** through this QFIX Online payment portal.

Regards

Lt Col Vikram Kapoor (Retd), Registrar
IILM University, Greater Noida
