WELCOMING THE FUTURE LEADERS!

IILM University Gurugram & Greater Noida started the MBA programme with an exciting orientation session. Our new students were welcomed by the respective Vice Chancellors, special guests, and faculty members. The orientation featured fun activities and interactive sessions to help students get to know each other. Club Presidents shared useful advice and discussed the different clubs and societies.

The new MBA Batch started their orientation with immersive experiential learning during the outbound activities. The day was filled with learning activities and outdoor games that promoted teamwork and provided valuable managerial insights, motivating students to challenge themselves and explore new capabilities.

WELCOMING DR HARIVANSH CHATURVEDI

We are thrilled to announce Dr Harivansh Chaturvedi as our new Director General at **IILM Lodhi Road**. With over 47 years in higher education, Dr Chaturvedi holds an MCom and PhD in Business Management from Agra University.

He has held pivotal roles, including Professor and Director at BIMTECH, and is a founding member of the Education Promotion Society of India (EPSI). He has been instrumental in policy formulation at AICTE and in establishing the National Board of Accreditation (NBA).

ALUMNI CONNECT: CAMPUS TO CORPORATE

On 6th July, **IILM University, Gurugram** hosted an inspiring event where our students connected with distinguished alumni Mr Gurtej Chawla, Mr Yogesh Yadav, and Mr Abhishek Joshi. They shared their career journeys, offering invaluable insights and practical tips for thriving in the corporate world.

IILM University Signs MoU with KPMG & HCL

We are thrilled to announce that **IILM University, Greater Noida** has signed a Memorandum of Understanding with KPMG. This partnership will provide our MBA students with valuable certifications to enhance their skills and market readiness.

We are the first institution in Delhi NCR to sign a Memorandum of Understanding with HCL. This partnership will allow us to offer specialised minors in Data Science, AI, and Cyber Security across our programme. Through this collaboration, our students will gain hands-on experience with the latest technologies.

FACULTY DEVELOPMENT PROGRAMME

At **IILM Lodhi Road**, quality is the cornerstone of our academic excellence. We are dedicated to the continuous development and mentorship of our faculty. Under the expert guidance of Dr Nameesh Miglani, a TEDx Speaker and mentor to Higher Education Institutions for various accreditations (NBA, NAAC, ABET, ICAR), our recent Faculty Development Programme delved into pathways to accreditation, its impact on stakeholders, and the implementation of outcome-based education.

EXPERT TALK BY PROF (DR) PADMAKALI BANERJEE

On July 18, Prof (Dr) Padmakali Banerjee, Vice Chancellor of **IILM University Gurugram**, delivered an expert talk on “Sustainable Excellence: Navigating with OQ and EQ” at Naval Base Kochi, CELABS. The session, focussing on creating emotionally intelligent warriors, was attended by over 400 Naval officers and was telecast to other Naval bases across India. It was a great success and well received by all participants.

HR CONFERENCE

IILM University, Gurugram - Our recent HR Conference featured enlightening discussions on leveraging Corporate Social Responsibility (CSR) for sustainable impact and enhancing employee engagement. The event highlighted the vital role of CSR in shaping a better future and explored how volunteering can boost employee satisfaction while making a significant community impact.

New Hydroponics Facility at IILM University, Greater Noida

We're excited to announce the launch of our new pilot-scale hydroponics facility. This state-of-the-art facility supports soilless and pollution-free agriculture, aligning with the UN's Sustainable Development Goals.

A special thanks to the Council of Science and Technology, Lucknow for funding this research project led by Dr Meenu Singh and Mr Vikas Chandra Gupta. Together, we are advancing towards a greener and healthier future.

MBA SIP Viva

IILM University, School of Management hosted 14 distinguished industry experts including Krishna Dev Pathak, Preeti Teotia, Aditya Verma Benori, Nabyendu Das, and some alumni joined us as panel members for the SIP Viva and presentations of the MBA batch 2023-25. Their extensive experience and insights provided invaluable feedback and guidance, enriching the learning experience for our students.

Inspirational Address by Mr Shailesh Goyal

On July 1st, Mr Shailesh Goyal, former VP-HR at Everest Group, addressed the incoming PGDM Batch 2024-26 during their orientation at **Lodhi Road Campus**.

An engineer by profession and a Human Resource expert by passion, Mr Shailesh emphasised the importance of perseverance, diligence, and collaboration in his career. He highlighted the role of critical thinking, continuous learning, adaptability, and effective communication in achieving success.

Exciting New Services for Students

We are pleased to announce two new services for our students at **IILM University, Greater Noida**:

- **Dining Collaboration:** We're partnering with Compass Group India to provide delicious and nutritious meals at our student mess.
- **24/7 Medical Services:** A new partnership with Apollo Hospitals will offer 24/7 first-aid medical services. Trained professionals will be available to assist with emergencies and health-related concerns.

IILM MBA STUDENTS VISIT AMUL

Our **IILM University, Gurugram** MBA students recently visited Amul for an enriching experience that offered practical insights into the dairy industry. The visit began with an introduction to Amul's history and its innovative cooperative model, which has significantly impacted rural development.

Students engaged in discussions about market strategies and learned about Amul's product innovation and quality control processes. They also toured the facilities, observing the production process from milk collection to packaging.

This visit provided valuable lessons in management and inspired our students with Amul's success story, highlighting the power of strategic planning and community-focussed business models.

ANNUAL ARDEE COLLEGE BRIDGE PROGRAMME

The Annual Ardee College Bridge Programme 2024 at IILM University Gurugram & IILM Lodhi Road, was a transformative experience. The event featured immersive workshops and sessions tailored for participants. Students engaged in design studio practices explored cutting-edge Artificial Intelligence topics and refined their photography skills. They gained insights into academic excellence and career pathways in design, media, finance, and international college applications. In addition, students from The Ardee School, New Delhi, had a dynamic day of learning at our Lodhi Road campus as part of the "Innovation and Entrepreneurship Outreach Programme." The visit provided engaging activities and valuable insights into innovation and entrepreneurship.
