

Alumni Association – Annual Report 2023

IILM University, Greater Noida

1. Introduction

The year **2023** marked a significant milestone for IILM University, Greater Noida, with the formal establishment of the **Alumni Association** in **July 2023**. The Cell was created with the primary objective of building a strong bridge between the university, its alumni, and current students.

The Alumni Association at IILM University Greater Noida plays a central role in engaging alumni to benefit the institution and current students. Alumni are invited to campus events and participate in guest lectures, workshops, and panel discussions, offering students valuable industry insights. Many alumni contribute to curriculum enhancement by providing feedback on industry trends, mentoring students in project work, and guiding student-led initiatives that develop practical skills.

Additionally, alumni assist in entrepreneurship development and placement support. They mentor aspiring entrepreneurs and provide networking opportunities and job referrals, bridging students' transition from academia to industry. These initiatives reinforce the institution's commitment to sustaining meaningful alumni connections and creating a collaborative community that benefits both alumni and current students.

The Alumni cell aims to:

- Foster a lifelong connection between alumni and their alma mater.
- Provide a platform for knowledge sharing, mentoring, and professional networking.

- Celebrate the achievements of alumni and involve them in institutional growth.
 - Support students with internships, placements, and career guidance through alumni contributions.
