SOCIAL SCIENCES & LIBERAL ARTS: EMBRACING A NEW PATH

Our School of Social Sciences and Liberal Arts offers a creative educational experience, fostering intellectual exploration for students. We celebrate the fusion of diverse ideas and disciplines, reflecting our strong commitment to interdisciplinary learning, with majors in **Journalism, Design, Psychology, Political Science, Sociology, History, International Relations** and many more. We provide a transformative journey for students, encouraging openness and exploration in their educational pursuits. Our thriving hub promotes innovative thinking, creating a vibrant atmosphere for academic growth and discovery.

At IILM, we emphasize that path breaking solutions to modern challenges emerge at the intersection of diverse fields. Our curriculum encourages freedom from traditional silos to embrace interdisciplinary perspectives. We cultivate thinkers, creators, and adaptable leaders, fostering a strong connection with industry for practical skills and competence. Join us for limitless possibilities and meaningful impact, where your dreams take flight in a dynamic environment.

WHY IS SCHOOL OF SOCIAL SCIENCES & LIBERAL ARTS AT IILM A PREFERRED CHOICE?

BUILD YOUR OWN DEGREE

Through the innovative 'Build your own Degree' program offered at IILM University, you can select elective courses from a diverse range of disciplines, shaping your education to match your interests and career aspirations. The School of Social Sciences and Liberal Arts equips students with critical thinking, communication, and cultural competence, fostering adaptable problem-solving abilities and nuanced societal understanding.

INTERDISCIPLINARY MAJORS

The interdisciplinary majors in Liberal Arts are intentionally designed to encourage students to explore the intersections between diverse fields, fostering a holistic understanding of complex issues.

FLEXIBLE CURRICULUM

At IILM, you have the freedom to choose elective courses from various disciplines, enabling you to tailor your education to your specific interests and career goals.

INDUSTRY-COMPETENT LEARNING

Our strong industry connections enable us to offer internships, workshops, and guest lectures from professionals in various prominent industries.

GLOBAL PERSPECTIVE

In today's interconnected world, a global perspective is essential. Our curriculum includes a focus on international issues and encourages students to think beyond borders.

TRANSFERABLE SKILLS

Liberal education equips students with communication, analytical, and adaptable skills, enhancing their employability across various fields.

EXPERIENCED FACULTY

Our faculty members are experts in their respective fields and are passionate about guiding students in their academic pursuits. They encourage critical thinking and provide mentorship, helping students bridge the gap between theory and practice.

4 Year DEGREE PROGRAMMES (Duration/ Eligibility/Objectives)

BA/BA (Hons.)/ BA (Hons.) with Research

DURATION: 3+1 Years

ELIGIBILITY: 10+2 level from any recognized board in India or Overseas with at least 50% marks in aggregate.

Programme Objective

The B A Hons. programme at the School of Social Sciences and Liberal Arts at IILM University is a unique and transformative educational journey. With a rich tapestry of pure majors including Psychology, Economics, Philosophy, Political Science, Sociology, Design, Journalism & Mass Communication, and History, students have the opportunity to specialize in their chosen area of interest, diving deep into the intricacies of each field.

B Sc (Hons.)/ B Sc Programme

DURATION: 3 + 1 Years

ELIGIBILITY: 10+2 (Science Stream) level from any recognized board in India or Overseas with at least 50% marks in aggregate.

Programme Objective

Our Bachelor of Science (Hons.) and B Sc programs have been carefully crafted to equip students with the technical versatility and competencies required to thrive in the ever-evolving world of work. Our programs feature a thoughtfully curated combination of courses that provide students with a profound understanding of their chosen scientific disciplines. Beyond that, we empower them with the ability to apply their knowledge in various contexts, including the socio-political, economic, psychological, legal, and all other aspects that shape human development.

B Design

DURATION: 4 Years

ELIGIBILITY: 10+2 level from any recognized board in India or Overseas with at least 50% marks in aggregate.

Programme Objective

The Bachelor of Design Degree helps students to acquire a thorough background in all aspects of the design industry. The program aims at providing a specialized understanding of the nuances of the creative industry with a fresh approach. At IILM, we believe that creativity and collaboration is the way forward. Our brand of education helps students learn how human centered design can collaborate with technology to create a new future: one that has a positive impact on the environment and society.

MA Psychology Programme

DURATION: 2 Year (Full-time)

ELIGIBILITY: Graduate from any stream with 55 % passing grades

Programme Objective

The program focuses to encourage learners to explore connections between psychology and other disciplines. The curriculum includes the latest trends in Psychology, with emphasis on practical training and fieldwork. The course lays special emphasis on developing confidence, knowledge and capabilities in students for both the research and practical application of psychological theories. The M A Psychology has three specializations that are - Clinical, Organizational Behaviour & Applied.

PROGRAM OBJECTIVES

Our school offers a rich tapestry of academic majors, ranging from the humanities and social sciences to the natural sciences and computer science. We believe in nurturing well-rounded individuals, fostering interdisciplinary learning, and preparing students for success in their chosen fields. Here, we have outlined ten key objectives that underpin our commitment to providing a dynamic and holistic educational experience.

- 1 Foster critical thinking and intellectual curiosity in students.
- 2 Provide a diverse range of majors to cater to varied interests and career goals.
- 3 Promote interdisciplinary learning for a holistic education.
- 4 Prepare students for successful careers in their chosen fields.
- 5 Encourage research and innovation in social sciences and liberal arts.
- 6 Develop strong analytical and problem-solving skills.
- 7 Instill ethical values and social responsibility in graduates.
- 8 Foster global awareness and cultural sensitivity.
- 9 Offer flexibility through double major options.
- 10 Create well-rounded individuals who can adapt to a rapidly changing world.

CAMPUS RECRUITERS

							
							
							
							
							
							

RESIDENTIAL ACCOMMODATION

The universities are centrally located on Golf Course Road, Gurugram, and Knowledge Park II, Greater Noida. Housing is on campus, which makes it both safe and convenient for all our students. Each hostel has spacious and well-furnished rooms offering a plush, modern lifestyle. The residence dining facility offers fresh and nutritious food to the students and campus activities at IILM University allow for unparalleled bonding between students.

CLUBS & SOCIETIES

The clubs and societies provide a platform for students to express their talent and act as the network lifeline for the entire IILM Community. This interaction with fellow students and active participation helps with the overall growth and development of a young person into a well-rounded individual.

LEARN FROM THE BEST

Experience the guidance of world-class pioneers on your journey towards education, wisdom, and knowledge. These experts bring vast industry experience in their respective fields, enhancing both the teaching and learning processed.
