

IILM UNIVERSITY

सा विद्या या विमुक्तये

"True knowledge is that which liberates"

IILM's guiding philosophy is captured in the timeless Sanskrit aphorism encircling our crest. This profound principle is the moral compass for our educational mission, defining our commitment to learning that frees the human spirit to achieve its highest potential. This pursuit is embedded in our name. In Persian, "ilm" signifies knowledge and wisdom, establishing IILM as a dedicated seat of holistic learning. Our logo visually represents this ideal as **a temple of learning**, where students embark on a transformative journey.

The Rising Sun

Symbolises the dawn of *Jnana*—the supreme knowledge that dispels ignorance.

The Book

Is the foundation of all intellectual inquiry and structured learning.

The Swan

As taught by Swami Vivekananda, is a representation of the *Paramatman* (the Supreme Self). It symbolises the development of profound discernment—the ability to distinguish truth from falsehood, just as the mythical swan separates milk from water. It is the core of wisdom.

The Lamp

Embodies the ultimate purpose of knowledge. As explained by Bhagawan Sri Sathya Sai Baba, its flame has two defining qualities: it banishes the darkness of ignorance and its flame perpetually moves upward, signifying the soul's unwavering aspiration toward higher states of consciousness.

This entire philosophy is anchored in the divine assurance of the Bhagavad Gita (Chapter 10, Verse 11), where Lord Krishna affirms this sacred duty:

तेषामेवानुकम्पार्थमहमज्ञानजं तमः । नाशयाम्यात्मभावस्थो ज्ञानदीपेन भास्वता ॥

"Out of pure compassion for them, I, dwelling in their hearts, destroy the darkness born of ignorance with the shining lamp of knowledge"

The IILM Blueprint

OUR 'WHY'

Deep Purpose

To nurture **responsible leaders**, **compassionate innovators**, and **global citizens** who create inclusive, sustainable value for society. We do this by providing a **transformative, values-based learning** environment where human connection, entrepreneurial courage, and intelligent technology converge.

OUR 'WHAT'

Vision

To be India's most **innovative** university, preparing **leaders with purpose** for the opportunities of tomorrow.

OUR 'HOW'

Mission

To empower a **diverse community of learners** through **progressively** AI-integrated education, **emerging** research capabilities, and real-world experiences, fostering **innovation** and cultivating **human connection** to create **meaningful** solutions for India and **beyond**.

Our Promise

An IILM graduate is expected to embody the following attributes:

The Purposeful Leader

Leads with integrity and a clear sense of purpose, inspiring others to create positive social and economic impact.

The Empathetic Collaborator

Communicates effectively, listens actively, and works well in diverse teams, building relationships based on trust and inclusivity.

The Innovative Thinker

Demonstrates intellectual vitality, creativity, and critical thinking to solve complex challenges and develop innovative solutions.

The Ethical Technologist

Leverages AI, big data, and emerging technologies with wisdom and responsibility, ensuring technology serves humanity and upholds ethical standards.

The Resilient Adapter

Possesses self-awareness and emotional intelligence, perseveres through challenges, and adapts with agility in a rapidly evolving world.

The Culturally Fluent Citizen

Is confident in their Indian heritage and values, while also being globally aware and capable of engaging with respect and understanding across cultures.

Our Core Values

Purposeful Innovation

We passionately pursue new ideas and creative solutions, leveraging intelligent technology to address real-world challenges and continuously enhance the learning experience, always driven by a clear sense of empathy, impact and meaning.

Empathetic Collaboration

We foster a diverse and inclusive community where open dialogue, mutual respect, and shared understanding are paramount. We collaborate authentically across disciplines, cultures, and organisations to achieve common goals and cultivate strong human connections.

Courageous Learning

Embracing intellectual curiosity and critical inquiry, we encourage students to take calculated risks and learn from setbacks. We encourage every individual to achieve their full potential and adapt with resilience in the face of change.

Ethical Stewardship

We act with integrity, accountability, and responsibility in all our endeavours. We champion academic freedom, promote responsible technology use, and strive for positive societal impact, ensuring our actions align with the highest standards of ethics and sustainability.

Student Success

We are deeply committed to the holistic development and lifelong success of every student. We provide personalised support, foster engaging experiences both inside and outside the classroom, and prepare them to be confident, adaptable, and impactful leaders.

Culturally Grounded, Globally Conscious

We cherish our deep roots in Indian culture and heritage, drawing wisdom from its rich traditions to inform our modern approach to education. We prepare our students to be proud ambassadors of this legacy while navigating the global landscape with fluency, respect, and an open mind.

University Leadership

Justice Hima Kohli

Former Executive Editor, NDTV; Senior Journalist

A respected name in Indian journalism, Ms Razdan leads IILM's communication programmes, with special focus on journalism, media ethics, and newsroom simulation.

Mr Amrit Mathur

Member – Advisory Board, Sports Management Programme, IILM University, Gurugram
Advisor, FIFS; Former Communications Director, BCCI

Mr Mathur plays a key role in guiding the Sports Management programme and shaping the curriculum around sports administration and industry demands.

Why Choose the Multidisciplinary 4-Year Undergraduate Programme at IILM University?

At IILM University, we believe tomorrow's leaders need more than textbook knowledge—they need adaptable skills, global awareness, and the confidence to innovate across boundaries. Our multidisciplinary four-year undergraduate programme (with honours and research tracks) is designed to empower you to explore, specialise, and lead your way.

Imagine a university that's more than a place to earn a degree—it's a launchpad for you to start your own company, solve real-world problems, and become part of dynamic teams.

Entrepreneurial Mindset

Every student is trained to think like a founder—spotting opportunities, working in teams, and developing ideas into scalable impact.

Technology as a Foundation

Use technology to create—not just to consume.

Innovation Culture

At IILM, innovation isn't a single course—it's your everyday reality.

Global Orientation

Leverage a network of international partners for unmatched cross-cultural exposure and learning.

Flexible Degree Pathways

Build Your Own Degree, Build Tomorrow

At IILM, your undergraduate experience is as unique as your ambitions. Pursue any of 20+ majors across diverse schools and departments, and craft a degree path that transcends traditional boundaries.

Major and Minor Programme

Choose your primary school and degree at admission. Through electives, you can personalise your programme—eventually making your own major or concentration and integrating courses, ideas, and research across all IILM schools.

Dual Degree Programme

Accelerate your brilliance! Opt for two majors from different schools or departments and graduate with two degrees from the university. This gives you the power to combine, say, Computer Science and Economics, Design and Management, or Psychology and Law.

Integrated Degree Programme

Fast-track your academic journey: obtain a bachelor's and a master's in succession—either within one school or across two. Deepen your expertise and gain a competitive edge for advanced career or global academia.

Accelerated Global Degree Programme

Expand your horizons even further. Earn one bachelor's degree from IILM and, by early planning and selection, a second degree from a prestigious international university—making your learning truly borderless.

Experiential Learning, Innovation Labs and Mentorship

The IILM Innovation Lab

Ideate, prototype, and pitch real products and services.

Industry Internships

Gain work experience with top companies, NGOs, consultancies, or leading startups.

Global Immersion

Opt for study abroad, dual-degree, or exchange programmes at partner institutions—exposing you to diverse ways of thinking.

Community & Social Impact

Engage in sustainability initiatives, social innovation, and research that builds empathy and leadership.

Mentorship for Every Step

Learn from scholars, practitioners, policy experts, and successful entrepreneurs—always available for 1 to 1 and peer mentoring. Join a thriving alumni and startup network for advice, partnership, or even funding.

At IILM, your degree isn't just a piece of paper—it's a proof of skills, experience, and connections built in the real world.

From Prototype to Impact

Career Pathways & Launchpads

IILM's undergraduate programme is where ambitions go from the whiteboard to the boardroom.

Placement Support

Strong career mentoring, 100% placement support, resume building, LinkedIn profiling, and interview prep—plus fast-tracks into IILM's own startup Accelerator.

Startup, Research, or Further Study

Take your capstone project or business idea from the Innovation Lab to venture incubation, seed funding, or international pitch competitions, with guidance every step of the way.

Worldwide Opportunities

Apply for the Accelerated Global Degree and graduate with credentials from both IILM and a top global university, or head directly to partner master's and research programmes.

Alumni Network

Stay supported through a 16,000+ strong alumni network—mentors, partners, and friends who lead in business, tech, design, and social impact across the world.

Key Career Outcomes

- ✓ Placement in globally reputed firms and start-ups.
- ✓ High rates of employment offers post-graduation.
- ✓ Alumni in leadership roles across diverse industries.
- ✓ Lifelong career support and access to our professional network.

Comprehensive Corporate Readiness Programme

Mindset

Deep self-reflection and sector exploration

Skillset

Structured training in communication and technical skills

Toolset

Professional branding and strategic networking

Industry Experience & Immersion

Industry Partnerships

Our strategic alliances with industry leaders enhance student exposure to real-world challenges and emerging technologies.

Global Exposure

IILM's Global Connect initiative facilitates academic partnerships across continents, enriching students' global perspective.

Global Study Programme (1–4 weeks)

Exposure to international business environments and cultural exchange in Finland, France, Germany, Canada, and Spain.

Semester Abroad Programme (3–5 months)

Full academic immersion in partner universities across France, Germany, Austria, the Netherlands, Switzerland, Bristol (UK), Massachusetts, Virginia, Copenhagen and Aberystwyth.

Accelerated Master's Programme

Fast-track options to pursue a master's degree post-graduation through pathways at institutions like the University of Massachusetts, Dartmouth.

Structured Internship Programme (SIP)

Our Summer Internship Programme is a vital bridge between academic knowledge and professional application. Students engage in hands-on projects across diverse sectors, mentored jointly by industry professionals and faculty members.

Immersive Learning, Industry Readiness & Global Connections

Research & Applied Learning

Our R&D Cell and faculty-led consultancy projects allow students to address real-world challenges in AI, biotech, and sustainability with global agencies and corporations.

Management Immersion Programmes

Residential programmes like IIM Sambalpur and corporate immersion experiences provide direct exposure to rigorous academic and organisational environments.

Learning Through Immersion

Local Immersion

Connect with local businesses and cultural institutions.

Social & Corporate Immersion

Engage with communities and gain professional experience.

Global Immersion

Expand your horizons with international exposure.

Global Alumni Network & Career Support

With a network of 16,000+ alumni, students gain unparalleled access to mentorship and networking. Our placement support, with 400+ company partnerships, ensures comprehensive career guidance.

Industry Visits & Field Experiences

The Career Trek programme provides structured exposure to diverse industries through visits to leading corporations like Audi, Mercedes-Benz, and MakeMyTrip.

Sector-Specific Immersion Includes:

- Media & Communication: Visits to News18, AIR, and Parliament of India.
- Logistics & SCM: Field visits to major warehouse operations and freight forwarding companies.
- Technology: Exposure to IT parks and tech innovation centres.

Impact & Outcomes

Holistic Development

- Global competency & industry readiness.
- Leadership qualities & entrepreneurial mindset.

Career Success Metrics

- High placement rates & competitive packages.
- Strong alumni presence in leadership roles.

Our integrated experiential learning approach ensures every graduate is not only academically equipped but professionally confident, globally aware, and industry-ready to create meaningful impact in an interconnected world.

Campus Life: A World of Opportunity

Academic Infrastructure

IILM University offers **state-of-the-art academic facilities** that foster an interdisciplinary and experiential approach to learning. Our campuses are equipped with advanced laboratories, specialised studios, and technology-enabled learning spaces that encourage innovation, creativity, and collaboration.

Advanced Laboratories

- Computer Science, Dell, iOS, Artificial Intelligence, Cloud Computing, Cybersecurity, CAD/CAM
- Biotechnology, Electrical and Electronics Engineering, Mechanical and Allied Engineering
- Science Laboratories

Specialised Spaces

- Psychology Laboratory, Multimedia Studio, Media Lab and Design Studio

Learning Resources & Spaces

- Technology-enabled classrooms, interactive and collaborative learning environments
- Library, Moot Court and IILM Innovation Lab

Residential Life

Life at IILM blends academics with a safe, inclusive, and vibrant community that feels like home.

Your Home Away from Home

On-campus and nearby residences offer 24×7 security, medical facilities, fitness centres, laundry, and high-speed Wi-Fi.

Wellness & Comfort

Nutritious meals and round-the-clock medical care ensure your well-being while you focus on academics and growth.

Dining & Social Spaces

Enjoy Scholars Café, Campus Collegiate, Chai Garam, KitKat Kiosk, and many more.

Community Living

Shared lounges, cafés, and event spaces foster friendships, cultural exchange, and collaboration.

Campus Life: Engagement & Well-being

Student Societies & Activities

At IILM, cultural life flourishes through a diverse range of clubs, events, and signature experiences that enrich the student journey.

- **Drama Club:** Stage performances, street plays, and theatre workshops
- **Music Club:** Instrumental, vocal, and music production activities
- **Dance Club:** Contemporary, classical, and group choreography
- **Photography Club:** Capturing campus life, workshops, and photo walks
- **Debate Club:** Enhancing critical thinking through discussions and competitions

Alongside club activities, the University hosts major events such as the Cultural Fest, Spring Fest, Fashion Show, hackathons, Moot Court Competitions and the Budget Buzz Expo.

Health, Fitness & Wellness

IILM fosters a culture of physical and mental well-being through accessible fitness infrastructure and engaging wellness programmes.

Students have access to a diverse range of sports, fitness, and wellness facilities designed to promote an active lifestyle:

- **Outdoor Sports:** Football, Cricket, Badminton, Pickleball and Chess
- **Indoor Games:** Table Tennis, Carrom and Foosball
- **Fitness Zones:** Fully equipped gymnasium, yoga studio, and Zumba classes

Alongside these facilities, the University organises regular wellness activities that encourage students to stay fit, de-stress, and maintain a healthy balance between academic and personal life.

Student Well-being: A Holistic Approach

In partnership with **YourDOST**, we offer 24×7 confidential access—via web or mobile—to over 1,000 expert counsellors in 20+ languages. With over 30 lakh counselling sessions conducted, it supports students, faculty, and staff with guidance on career, confidence, grief, emotional resilience, and more—accessible anytime, anywhere, and completely anonymous.

Comprehensive Support Services

We offer a robust network of support services, ensuring every student is empowered to achieve their fullest potential—academically, personally, and professionally.

Academic Excellence Support Safety & Security

Our essential support infrastructure is designed to foster creative development and enhance professional skills.

- **Psychology Laboratory:** Professional mental health and counselling services.
- **Multimedia & Media Labs:** State-of-the-art creative facilities.
- **24/7 Connectivity:** High-speed Wi-Fi and comprehensive computing resources.

A secure and nurturing environment is central to the IILM experience, equipped with industry-standard safety protocols.

- **Advanced Surveillance:** Comprehensive CCTV monitoring across all facilities.
- **Professional Security:** 24/7 trained personnel dedicated to campus security.
- **Medical Services:** On-campus facilities for immediate medical attention.

Through state-of-the-art infrastructure and a supportive community, students are prepared for transformative growth, purposeful leadership, and meaningful contributions to society.

Admission Process

1 Application Submission

Register online and submit your completed application with academic details.

2 Document Verification

Upload scanned copies of all academic documents, including mark sheets and entrance exam scores.

3 Evaluation & Shortlisting

Applications are assessed on academic performance, exam scores, interview, and co-curricular achievements.

4 Personal Interview / Entrance Exam

Shortlisted candidates are invited for an interview to assess communication skills and motivation.

5 Admission Offer

Successful candidates receive an official admission offer and must submit the registration fee to confirm enrollment.

Eligibility Criteria

- UG Programmes: Minimum 50% in Class XII.
- PG Programmes: Bachelor's degree with 50% marks & valid entrance scores.
- Doctoral Programmes: Master's degree with 55% marks.

Accepted Entrance Exams

Management: CAT, XAT, MAT, CMAT, GMAT, NMAT, ATMA, CUET-PG

Engineering: JEE Main, CUET-UG

Law: CLAT, CUET-UG, LSAT India-UG

UG Programmes: CUET-UG, Board Merit

Scholarships

IILM University offers merit and means based scholarships up to 100% tuition waiver based on Class XII results and entrance exam performance (CAT/XAT). For details, visit www.iilm.edu.

International Admissions

International applicants must provide academic transcripts (with AIU equivalence), proof of English proficiency (IELTS/TOEFL), SOP, LORs, and a valid passport/visa.

Voices of Excellence

The success of our students and alumni speaks volumes about our commitment to academic rigour and professional readiness. These inspiring journeys represent the impact of a holistic, purpose-driven education.

Gurtej Chawla

Associate Vice President
Xceedance Consulting Private Limited
MBA 2006-08

"The faculty's real-world insights made learning highly practical and relevant. Personalised mentoring and career support aligned my goals with industry needs, while the vibrant campus life and networking opportunities enriched the experience."

Anita Ahuja

Senior Vice President
Citibank, Singapore
MBA 2008-10

"My MBA at IILM equipped me with essential business and corporate skills that helped me excel professionally. Case studies, group discussions, and grooming sessions with brilliant peers shaped me into a lifelong learner."

Shillaza Girdhar

Director - Human Resources
360 Degree Engineering & Consulting Services Limited
Batch 2004-06

"As a proud gold medallist of my batch, I had the privilege of dedicating over a decade to Deloitte Consulting. My time at IILM was truly transformative, shaping both my career and personal growth. Returning to campus for the alumni meet was a nostalgic and heartwarming experience."

Harbinder Narula

CEO
Businessworld Healthcare / Wellbeing / Pharma | Personal
Brand Evangelist
Batch 1994-96

"We were privileged to learn from faculty members hailing from prestigious institutions such as IIM and FMS, alongside some of the finest professors at IILM. This strong academic foundation transformed into invaluable wisdom, shaping the path to where I am today."
